

Notice Against Employment Fraud / Unfair Practice

It has come to our notice that certain individuals / groups of individuals / institutions have been fraudulently offering false employment opportunities on behalf of **National Skill Development Corporation (NSDC)**. These individuals / institutions have been sending out fake employment call letters / offers and other bogus recruitment material using the **National Skill Development Corporation's** name to defraud job seekers.

False letterheads and E-mail id's may have been created using **NSDC** logo/office address. Job seekers could be duped of money as these fake recruiters ask candidates to deposit a sum of amount/draft /cheque in their fake bank accounts, to receive an offer letter from the Corporation. **We hereby declare that all such statements and representations made in such correspondence are not made on behalf of or with any authorization from NSDC Office, New Delhi.** Employment to any candidate without a direct contact by the HR Department NSDC, followed by a formal recruitment process to include a personal interaction session, would be considered an attempt of fraud.

National Skill Development Corporation in its mandate for **Transforming the Skill landscape of India**, does not demand any money from individuals/groups/institutions for Training of individuals /Engagement of training partners, Skill managements.

Issued by **National Skill Development Corporation**, for the awareness and to safeguard the interest of all aspirants/applicants.
