Reopening PMKVY-RPL for Project implementing Agencies (PIAs) and PMKVY-Special Projects for Special Project implementing Agencies (SPIAs): Guidelines and SOPs

Date: 20 September 2020

Dear PIAs and SPIAs,

Hope you are safe and well.

We are happy to share that the Ministry of Home Affairs (MHA) has permitted the commencement of skill development trainings from 21st September 2020, vide notification No-40-3/2020-DM-I(A), dated 29 August 2020. Standard Operating Procedures (SOPs) on preventive measures to contain the spread of COVID-19 in skill training institutions have been issued by the Ministry of Health & Family Welfare (MoHFW) on 8 September 2020. Earlier, Ministry of Skill Development and Entrepreneurship (MSDE) had also released SOPs for the reopening of training centers under PMKVY 2016-20 after lockdown due to COVID-19, via OM. No. B12011/01/2016-SDE dated 11 June 2020. These are available in the notices section of the PMKVY website.

In the light of these developments PIAs and SPIAs need to begin preparations for reopening of RPL camps, premises, and training centres from 21 September 2020 in compliance with the guidelines mentioned above as well as with those of local administration directives. Going forward, PIAs and SPIAs are also advised to remain vigilant for the latest updates and guidelines that may be released by MSDE, MHA, MoHFW and local administration.

Kindly check the status on SIP of your batches on 21 September 2020 and take necessary action. A note for IT related actions and FAQs will be sent to PIAs by the RPL and SP teams separately.
