Notice

Sub: Closure of assessments under PMKVY 3.0 CSCM including SHI and STT by ITI scheme

Dear Stakeholders,

Pradhan Mantri Kaushal Vikas Yojana 3.0 has to be closed as all trainings on ground were completed by December 31, 2022. During the month of January 2023 we have tried to close all assessments. However, inspite of several follow ups, there are some partners who have not completed their assessments and reassessments. We are opening the **last window until February 15, 2023** for you to complete the pending activities.

All stakeholders are requested to take stock of their batches and ensure completion of assessments/ reassessments/ uploading of results of all pending batches on Skill India Portal (SIP) by **15th February 2023**. In case of failure to conduct the assessment within the stipulated timeline, the batches would be removed from Assessment pendency and the respective candidates shall be marked as Not Appeared on SIP.

Issued with the approval of competent authority.
