

NOTICE

Dear Training Providers,

The short term training under Pradhan Mantri Kaushal Vikas Yojana (PMKVY) aims to impart fresh training to youths. The Short Term Training is being implemented centrally as well as through states under Centrally Sponsored Centrally Managed (CSCM) and Centrally Sponsored State Managed (CSSM) components respectively.

The scheme targets of CSCM component of short term training across four years is 35,55,000 candidates. In order to ensure universal coverage, the scheme target is distributed across 36 States / UTs with an annual target of 8,88,750 candidates under short term training of CSCM component as detailed in the Annexure 1 of Guidelines for State Engagement under PMKVY (2016-2020). To make sure that skilling is imparted across various sectors, the scheme targets of CSCM is also distributed between 40 sectors.

In order to ensure sector and geographical coverage as stated in Annexure 1: Target Allocation Methodology of PMKVY Guidelines (2016-2020), an analysis has been conducted and it is observed that the skill trainings imparted are highly focused in certain states, districts, sectors or job roles. The result of the analysis as a form of saturation index across states and sectors is provided below.

Furthermore training providers that are interested in requesting for target allocation under PMKVY - CSCM STT component are advised to visit the PMKVY website (www.pmkvyofficial.org) and SMART (www.smartnsdc.org) regularly for updates on the PMKVY Target allocation strategy and saturation index. Also kindly note that the accreditation and affiliation of a Training Centre through SMART portal does not entail qualification for receiving PMKVY targets, the target allocation will be dependant of the saturation index of the state/sector and other factors.

Revised Target allocation strategy will be updated on the website very soon, thank you for your patience and cooperation. We look forward to your eager and continued support in imparting skills in underserved geographies and sectors, so that the broader objective of the scheme which is to develop a skilled and diversified work force is achieved.

Annexure 1: State wise saturation index as on 14-06-2017

Saturation percentage against scheme targets (2016 - 2020)	State
> 100%	Rajasthan
	Haryana
	Uttar Pradesh
75 - 100 %	Madhya Pradesh
	Punjab
50 - 75 %	Telangana
	Odisha
25 - 50 %	Delhi
	Tamil Nadu
	Bihar
	Assam
	Andhra Pradesh
	Chhattisgarh
	Jammu & Kashmir
	West Bengal
< 25 %	Karnataka
	Kerala
	Maharashtra
	Gujarat
	Uttarakhand
	Jharkhand
	Puducherry
	Tripura
	Meghalaya
	Himachal Pradesh
	Nagaland
	Chandigarh
	Sikkim
	Manipur
	Goa
	Mizoram
	Arunachal Pradesh
	Andaman and Nicobar Islands
	Lakshadweep
	Dadra and Nagar Haveli
Daman and Diu	

Annexure 2: Sector wise saturation index as on 14-06-2017

Saturation percentage against scheme targets (2016 - 2020)	Sector
> 100%	Apparel, Madeups & Home Furnishing
	Electronics Sector Skills Council
	Telecom Sector Skill Council
	IT-ITeS Sector Skill Council
	BFSI Sector Skill Council of India
50 - 75 %	Tourism & Hospitality
	Capital Goods Skill Council of India
