Pradhan Mantri Kaushal Vikas Yojana (PMKVY), the flagship scheme of the Ministry of Skill Development & Entrepreneurship (MSDE) aims to enable Indian youth to take up industry-relevant skill training that will help them in securing a better livelihood.

Under the scheme, the Short-Term Training (STT) Program is designed to impart skill training to the youth who is either a school/college dropout(s) or unemployed, residing in any state, district of India. The Short-Term Training (STT) program is being implemented Centrally as well as through States under the Centrally Sponsored Centrally Managed (CSCM) and the Centrally Sponsored State Managed (CSSM) components respectively.

Further to the public notice on *Target Allocation under Centrally Sponsored Centrally Managed component of PMKVY 16-20 for the period FY 2018-2020*[1] dated *23rd May 2018* (issued in accordance with the directions provided by MSDE) published on pmkvyofficial.org (referred hereafter as public notice dated 23rd May 2018), target re-allocation for CSCM component based on performance shall be as below:

1. **Training centre eligibility criteria for performance based target re-allocation**

Basis fulfilment of below listed eligibility criteria, training centres will be considered for Target Allocation:

1.1. Training Centres (TC) should have an overall minimum 70% placement performance. Placement criteria for a batch to be eligible for payment of tranche 3 has been clearly laid out by PMKVY guidelines through the directions provided in common norms as well as PMKVY Steering Committee. However, for the purpose of target reallocation for the 2nd quarter in FY 2018-19, TC wise minimum 70% placement performance has been calculated as follows:

   a. The ratio of total candidates with *first reported employment* since inception of PMKVY 2016-20 till 31st May 2018 as per SDMS and total candidates certified since inception of PMKVY 2016-20 till 1st March 2018 (90 days prior to cut off date i.e. 31st May 2018) will be considered.

---

[1] http://pmkvyofficial.org/App_Documents/News/Public_Notice_on_Target_Allocation_for_FY_18-20-1.pdf

$$\% \, Placement = \frac{\text{Total candidates with first reported employment till 31st May 2018}}{\text{Total candidates certified till 2nd March 2018}}$$

b. Only candidates whose first reported employment is present have been considered as placed. First reported employment is defined as follows:

    i. Candidates whose 1st month employment record document (wage or self-employment) is uploaded on SDMS. The document uploaded must be as per the approved list of documents considered as valid proof of employment as uploaded on PMKVY website[2].

    ii. The 1st month salary slip/certificate/bank statement as applicable for the candidate as uploaded on the SDMS

c. The purpose of such placement criteria for re-allocation is only to incentivise training centres to provide placement to the trained candidates. Furthermore, in due course of time all the placement records defined as per PMKVY placement guidelines for the purpose of 3rd tranche will be verified and processed. NSDC reserves the rights to take penal action in accordance to PMKVY guidelines in case of any misrepresentation of facts/false reporting found during verification including but not limited to target revocation and financial recovery.

1.2. Over and above the placement criteria, the training centre should comply with the following to be eligible for target allocation:

a). Training centre should have carpet area ≥ 1500 sq. ft. as per SMART inspection report.

b). The centre should be a TP Owned centre accredited affiliated (at least once) with 4 or 5 star rating on SMART (3 star centre to be considered in NE, Jammu & Kashmir and TCs applying for Agriculture job role). The centres who were accredited and affiliated in the past but the annual accreditation and affiliation has elapsed are being considered for target allocation subject to their getting accredited / affiliated before applying for target approval and batch creation on SDMS.

c). The training centre should not belong to TP/TC who are a part of NPA list and list of Suspended TCs as per Monitoring team of PMKVY 1.0 and PMKVY 2016-20

---

2. **Target Allocation:**

a). As of now 82 training centres qualify for target reallocation as per the 70% placement criteria with cut-off date of 31st May 2018 and also satisfy conditions specified in section 1.2 (a-c) as per the above methodology. These centres will be allocated targets for a period of 6 months (1st July 2018 to 31st December 2018) post sample verification of placement records as per section 2 (c-d) below. The list of eligible centres is provided in annexure 1.

b). These centres may be considered for next round of reallocation for the 4th quarter of FY 2018-19 (1st Jan to 31st March 2019) basis their eligibility as per public notice dated 23rd May 2018, above laid guidelines and performance. The target allocation for 4th quarter of FY 2018-19 (1st Jan to 31st March 2019) will be done at the end of 3rd Quarter of FY 2018-19 as per timelines in public notice dated 23rd May 2018.

c). The uploaded placement records of the candidate as per the SDMS portal (refer section 1.1 (b) above) will be verified on a sample basis for these 82 eligible TCs. If 30% of the sample record for any eligible TC fail verification as per PMKVY verification checklist, training centre will not be allocated targets.

d). Target allocations for this quarter will be released for each of the 82 training centres by 1st July 2018 post successful sample verification of their placement records subsequent to which the training centres may start SDMS on-boarding by following the below appended criteria.

3. **Steps to be followed by training centres for on-boarding on SDMS**

The training centres allocated targets (as in Annexure I) can on-board the SDMS subject to below mentioned conditions:

1. All training centres prior to requesting targets on SDMS should authenticate their details on SDMS via SMART (Authenticate via SMART option on SDMS).

2. Training centres should enrol only two concurrent batches per job roles in a capacity cycle at a time. Any non-compliance to the above will lead to cancellation of over enrolled batches and also penalties will be imposed if found to be done intentionally.

3. Training Centre will be permitted to request targets in accredited and affiliated job roles (As per SMART) which are as per PMKVY job role list. In case where TC has job roles which are outside the PMKVY job role list, TC may choose to replace those job

roles with new job roles in new PMKVY job role list[3] and get them accredited and affiliated on SMART before requesting targets for these job role on SDMS

4. Training centre should have carpet area ≥ 1500 sq. ft. as per SMART inspection report.

5. The centre should be a TP Owned centre with 4 or 5 star rating on SMART (3 star centre to be considered in NE, Jammu & Kashmir and TCs applying for Agriculture job role).

6. Training Centre should have complied with AEBAS guidelines (except in NE states and Jammu & Kashmir).

7. Training centre should have TOT certified Trainers as per accreditation and affiliation norms on SMART. This will be checked through Takshila portal data reported on SDMS.

Target reallocation for subsequent quarters would be re-initiated for eligible centres as per timelines in accordance to the public notice dated 23rd May 2018.

---

[3] New PMKVY job role list will be uploaded separately on PMKVY official website
